

29<sup>th</sup> November 2024

Dear Parent/Carer

If you are accessing the site via the Buxton Road pedestrian gate in the mornings, please be aware of the below timings.

The gate will be opened at 8:50am, when the school day starts, and a member of staff will be there to monitor it until 9:00am when it will be closed again.

If you arrive before 8:50am or after 9:00 am, please press the call button on the gate to contact the Treetops school reception who will open the gate, however staff will not be on duty outside until 8:50am.

Can parents and carers please remind students not to walk through the vehicle gate, even if it is open. Further to this, can all parents and carers please support us in modelling road safety awareness by using the footpath and pedestrian gate instead of walking on the road through the vehicle gate.

Many thanks for your support.

Yours sincerely
